Professional Objective

Dedicated Front-End Developer with hands-on experience in freelance projects, seeking an opportunity to apply my skills in HTML, CSS, JavaScript, React, and other modern technologies to develop functional, responsive, and optimized web solutions, contributing to the success of the company and its clients.

Technical Skills

- **Programming Languages:** HTML, CSS, JavaScript, TypeScript, PHP (Laravel)
- **Frameworks and Libraries:** React, Next.js, TailwindCSS, Node.js
- **Integration & Databases:** REST APIs, MySQL, PostgreSQL, Prisma
- **Tools & Version Control:** Git, GitHub, Docker
- **Additional Competencies:** Responsive interface development, performance optimization, usability, system maintenance

Professional Experience

- **Front-End Developer – Freelancer**
Independent Projects | São Paulo, SP | 2024 - Present
- Developed responsive and modern interfaces for small businesses using HTML, CSS, JavaScript, and React.
- Integrated REST APIs to implement dynamic features in web applications.
- Optimized performance and usability in existing projects, ensuring efficient user experiences.
- Maintained and updated websites to guarantee customer satisfaction and high-quality final products.
- Collaborated with clients to understand their needs and deliver solutions aligned with project goals.

Education

Technical Degree in Systems Analysis and Development

Universidade Nove de Julho (UNINOVE) | São Paulo, SP | Graduation: 2021
